CHARGES: Careless Driving

NARRATIVE:
Vehicle#1 (Tractor Trailer) was traveling southbound in the right lane on the Florida Turnpike in the area of the 164 mile marker when it collided into the rear of Vehicle#2 (Econoline Van) also traveling in the right lane. Vehicle#2 traveled to the right shoulder coming to final rest facing south. Vehicle#1 traveled onto the right shoulder colliding through the guardrail and onto the right embankment as the trailer overturned coming to final rest blocking the right travel lane. Subsequently due to the crash the trailer had no lights on it as other traffic approached the scene. Vehicle#3 and Vehicle#4 swerved to avoid the trailer in the road way but both were unable to. Vehicle#3 (Tractor Trailer) swerved to the left as his trailer collided with Vehicle#1 causing minor damage to the trailer. As the driver of the Vehicle#4 (Tractor Trailer) swerved to avoid Vehicle#1, the passenger side fuel tank was ruptured by the trailer of Vehicle#1. Vehicle#4 then traveled into the median and collided with the median guardrail. Vehicle#4 caught fire and became fully engulfed. There was only one reported injury in this crash as the driver of Vehicle#2 was transported the Lawnwood Medical with minor injuries.

The roadway was shut down at the Okeechobee Rd exit 152 mile marker northbound and southbound at the Yeehaw Junction (SR 60) Exit 193 mile marker. The northbound lanes were reopened at 7:35 am. The southbound lanes are still closed.
